ABOUT THE CONFERENCE

Supply Chain Digitalizaion Conference 2022 creates an Opportunities to boost Profitability and Strategies to Maximize Efficiencies.

The Supply Chain Digitalization Conference brings together supply chain and technology innovators to push forward a complete digital transformation within the supply chain. While working with our manufacturing audience, to probe and explore winning strategies and technologies, by means of innovations in dealing with the current and future supply chain challenges.

The aim of this event will be to bring digital innovators in next generation technologies together to understand and discuss the global market issues and technical challenges to propel the industry forward.

This platform will include entire Supply Chain and Procurement, Transportation and Logistics industry together along with Manufacturer, Retail, Consumer Goods, Chemical, Oil & Gas, Food & Beverage, Pharmaceuticals, Govt. Officials, Transportation & Logistics providers, and many more to discuss the latest developments and best practices in the industry.

With an intense 2-day agenda, the conference seeks to expand in-depth discussions, strategies and applied knowledge along with technological challenges of supply chain & procurement operations. You will gain insights from the best in the industry and make lifelong friends.

The conference is holding a promising meeting place for the industry, through its interactive sessions, highlighting the latest developments in the industry.

TESTIMONIALS AND EXPERIENCE

Thanks very much for this opportunity. I was impressed by the quality of your event. It was as well run and organized as I've ever attended.

Rafiq Khurshid | IT Specialist & Consultant

Thank you for giving us a chance to participate, it was a great experience and super organized platform.

Atheer Alatter | Lead Data Scientist

I am happy to join the great team of speakers and thanks for having me on this awesome event. Excellent teamwork. Hope be with you next time.

Vitor Do Valle | Head of Centre of Excellence

Thank you, team for the Certificate. As mentioned before, I truly appreciate the prompt communication, prep call and accommodating my change of date. I look forward to partnering with ptn events in future.

Arthi Vasudevan | Senior Product Manager

Thank you very much for your support during this event. I think that overall it went well.

Gerardo Muñoz | Product Marketing Manager

Thank you for Sharing. I should have mentioned this in my feedback; some of the best i have seen for any conference, Live or Virtual. Awesome Event!

Lennart Heip | Global Modal and Technology Director
Maritime Sales Leader International Trade Operations

We are excited to join this great event. Sign up to hear a speech from Michal Paulski on Cybersecurity during the Oil and Gas Automation & Digitalization Conference.

Michal Paulski | Senior Manager

Many thanks to you the incredible team for organizing the event. Watching for 2 days was very insightful and your team efforts to organize everyone from around the created the success.

Johnathan Finlayson | Project Logistics Director

Thank very much for the opportunity. I was sincerely impressed by the quality of your event. It was as well run and organized a conference as I've ever attended. All of the sessions i was able to attend were excellent - really informative.

Tan Miller | Director, Global Supply Chain Management Program

Oh man, some of my favorite folks in freight are the container shipping right now.

Mike Bush | Terminal Relationship Manager

It was a valuable session and great learning from Global leader, It was amazing conference. Thanks a lot.

Pankaj Gupta | Global Sourcing

We managed to be in touch with good leads. User-friendly and very professional staff all along the sponsorship journey.

Carl Lauron | Founder
